Over 700 Lawrence Township students are participating in the Foundation's Up and Running program. The students have been training most of the second semester. They train two days after school with the help of mentors (teachers & parent volunteers) and they train at least one day at home. The goal of training is to participate in the Geist Half Marathon & 5K on May 16th.

The Foundation is hosting a spaghetti supper from 5 – 7 p.m. the night before the race at the Lawrence North Fieldhouse. Thanks to Texas Roadhouse, spaghetti dinner sponsor.

Up & Running is part of the Foundation's nationally recognized "My Community Gets Healthy" program. Good luck to our LT runners - have fun!

Wish Center

The Foundation is still collecting new or gently used lamps to assist Lawrence Township families in need. Families also need 60 watt light bulbs and alarm clocks. If you have donations you may drop them off at the Foundation office (5626 Lawton Loop E.

Drive, west side of chapel building) between 8:30 a.m. and 4:30 p.m.

Please consider our Honor-An-Educator program for year-end gifts.
