Celebration Went Virtual

THANK YOU!!

On behalf of the children in Lawrence Township who benefit from the Celebration, we'd like to say thank you to those who participated virtually and helped the show go on!

Thank you to the many volunteers and staff members who put countless hours into making the event a success. Also thank you to all the sponsors and donors for their gifts. Everyone's generosity is proof that we are a strong and vibrant community who make magic happen for our kids.

You will be happy to know that all food purchased for the event was donated to Second Helpings. Though we weren't able to be together, join us in celebrating how we helped others.

We will continue to work through the details of changing an event of this magnitude and will communicate information as available. Please contact Cori Korn with any questions or concerns by email or at 317-423-8302.

You can still participate in FUND THE NEEDS. We generally raise \$32,000 during this portion of the event and these unrestricted gifts help make so many programs possible. You make the impact when you SAY YES!

MSDLT Coronavirus Communication

Per Governor Holcomb, all Indiana schools will remain closed until May 1, 2020. Additional information from the MSD of Lawrence Township is forthcoming.

Help Businesses That Support LTSF

In a recent article written by Melody Warnick, she stated, "Social distancing is the right thing to do right now full stop. But the worry is that if everyone stays home, we won't just shut down COVID-19, we shut down small businesses as well." Check out her 10 ways to support struggling local businesses during the pandemic.

A great place to start is with the generous businesses who donated to the LTSF Silent Auction. We are so grateful for their gifts and know you are too. Supporting them at this difficult time is another way to say thank!

Geist Half Marathon Postponed

The Geist Half Marathon Board of Directors has decided to postpone this year's race to October 10th. This decision was not made lightly. We hope you will join us. Learn more here, including your options if you are already registered.

This race has become a tradition for our Up & Running students. We are so grateful for all their support and appreciate that they make decisions that are best for our community.

LTSF & Friends Helping MSDLT Families

On Wednesday, March 18th, Lawrence Township School Foundation staff, along with friend, Trace Yates, packed up meal bags for our families. The Foundation closely aligns with the MSD of Lawrence Township and we are here to support their efforts by helping MSDLT families and friends.

On Friday, March 20th, we joined forces again, this time packing school supplies. These packs will be distributed to students at locations offering food in MSD of Lawrence Township. Thank you Margo Korn (Lawrence Central, Class of 2014) for joining us.

We are so grateful for everyone who has reached out to lend a hand, made a donation, or offered support. We are fortunate to be part of such a caring community.
