TO HELPING KIDS

December 2019

Happy Holidays!
Thank you for SAYING YES to LT kids this year.

LTSF 12 Days of IMPACT

Starting on December 13th through the 24th, the Lawrence Township School Foundation will share the "12 Days of Impact"! Each day on social media, LTSF will be highlighting the many opportunities that your generosity makes possible for Lawrence Township students. It is a great time to celebrate how your gifts help so many.

Make sure you are connected to LTSF on [Facebook](#) and [Twitter](#) to see the daily posts or view the recap on [LinkedIn](#) at the end of the 12 days. Celebrate with us by sharing the difference you make possible with family and friends! Thank YOU for making a difference.

VEX ROBOTICS

The Elementary Lawrence Township VEX Robotics League season has officially begun with all eleven schools competing!

VEX Robotics gives students the opportunity to apply their STEM skills in an enthralling game-based engineering challenge. The Elementary LT VEX Robotics League was created in Lawrence Township to allow all elementary schools to participate in this program.

Check out the competition [schedule](#) for 2019-20 and see what VEX Robotics is all about!

#GivingTuesday

Because of your generosity, #GivingTuesday was a success! Funds were raised to benefit the students in Lawrence Township. The day was recognized with Facebook donations, Student Foundation lunchtime fundraising, and online donations.

This global day of giving is fueled by the power of social media and kicks off the charitable season, when many focus on their holiday and year-end giving. Thank you to all who included the Lawrence Township School Foundation in your charitable giving!
