Breaking Ground: LTSF Celebrates MSD of Lawrence Township's \$20M Admin Building

On Friday, September 8, 2023, the MSD of Lawrence Township broke ground on a **new, \$20M administration building on Fort Benjamin Harrison**, immediately west of Civic Plaza at 5710 Lawrence Village Parkway. Land for the new facility was donated by the Fort Harrison Re-Use Authority in 2023, and the facility will house the district's business operations and executive offices with project completion anticipated for early 2025.

The Lawrence Education & Community Center site at 6501 Sunnyside Road will continue to house Lawrence Advance Academy, several alternative and special needs programs, and will be the home of the future Craig Academy.

The Lawrence Township School Foundation (LTSF) will have a **new office** in this building once it's complete. LTSF staff and board members were in attendance at the groundbreaking to express our support and excitement for the District. **Congrats, MSDLT!**
