

LTSF 1983 Society FAQ

What is the LTSF 1983 Society?

The 1983 Society is a giving designation that pays tribute to the year LTSF was founded. It recognizes major gift donors who give an annual, unrestricted gift of \$1,000 or more.

What is an “unrestricted gift”?

An unrestricted gift is credited to the general fund to be used for annual, budgeted LTSF supported programs allocations, as well as general operations and payroll expenses.

What is the giving level to qualify?

The giving level to qualify is an annual, unrestricted gift of \$1,000 or more.

If my total annual gifts are greater than \$1,000, do I qualify?

Yes, it is based on cumulative unrestricted gifts throughout the year. You join the 1983 Society when the sum of individual gifts reach at least \$1,000.

If my gift plus my employer match is greater than \$1,000, do I qualify?

Yes, as long as the employer match is tied to the specific donor. We ask donors to notify LTSF when they qualify and apply for an employer matching gift.

If I give at the Celebration during Fund the Needs, does that count?

Yes, Fund the Needs donations count toward the annual unrestricted total giving.
