Lawrence Township Community Cares

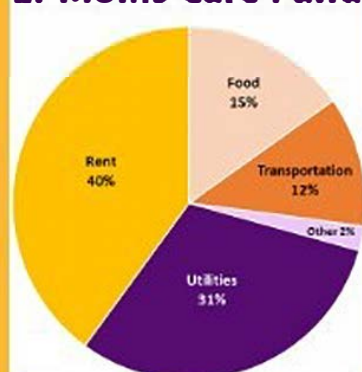

During a time that could be discouraging for Lawrence Township students, the Lawrence Township community continued to show their **passion** and dedication to serving students. At the start of COVID, the Lawrence Township School Foundation shifted its focus to meeting the immediate needs of LT students by creating the LTSF Cares Fund. Caring donors like YOU quickly responded and gave generously to ensure that students and families were equipped with the necessary items needed for survival. In addition, a group of caring moms created the #LTMomsCare giving circle, where over 200 moms donated to ensure students had internet access, hygiene products, transportation, and more. The pie charts show an overview of ways funds donated through the LTSF Cares Initiative were distributed to students and families in need.

As the school year begins, there continues to be an outpouring of support from the community. The Lawrence United Methodist Church is having a Back to School Drive to equip Lawrence Township students with the necessary items needed to have a successful school year. Orthopedic Specialty Care has also organized a donation drive in support of Lawrence Township students. Thank you for your continued generosity for Lawrence Township students!

Lend Your Helping Hands

The Lawrence Township School Foundation is so thankful for PASSIONATE volunteers! Volunteers packed bookbags for students going back to school. Thank you to those who continue to make these opportunities possible. Do you have a passion for students and want to lend your helping hands? The Foundation has numerous ways you can get involved. Whether it's in the Clothing Pantry, the Teachers' Store (EdEx), or serving on a committee, there's a place just for YOU!
