Educators' Exchange

The LTSF initiative Today and Tomorrow works to serve the needs of Lawrence Township students by strengthening our connections and building the support of the community for tomorrow's children. Educators' Exchange (EdEx) is equipped to supply LT educators with free items to enrich the curriculum and their classrooms - everything from office supplies, to paper, books, and craft supplies.

LTSF is looking forward to welcoming the newly hired LT Superheroes to EdEx and show them what generous donors like YOU make possible! Not all superheroes wear capes, some wear masks!

If you have classroom and/or backpack supplies that you would like to donate to the Lawrence Township School Foundation's teachers' store, please [email](#) the Foundation or call 317-423-8300. Know that your generosity will put smiles on the faces of teachers and students.

MSDLT Re-Entry Plan 2020-2021

The MSD of Lawrence Township is committed to providing a safe and optimal learning and working environment for all, and has been working diligently on plans to reopen schools under conditions that are as safe as possible. Given the nature of the pandemic, it will be important to recognize that even within our own district, buildings will face unique needs and challenges with regard to re-entry. Please keep in mind that, once a plan is in place, procedures may continue to change given the fluidity of the situation and the possibility of resurgence.

LT Virtual Summer Camp

Lawrence Township elementary and middle school students participated in Virtual Summer Camp from June 9th to July 2nd. To combat learning fatigue from eLearning, LTSF sponsored the virtual camp and provided incentives for campers as they moved onto new levels and earned badges. Thank you generous donors for providing yet another opportunity to support LT kids. Because of your gifts, campers were able to choose from t-shirts, earbuds, gift cards, and more. There was much excitement from campers when they were able to receive special packages in the mail for their hard work!

ParentSquare

Lawrence Township will be using ParentSquare for school communication moving forward utilizing email, text/app & phone notifications. ParentSquare generates an account for each parent, using their preferred email/phone number. All you need to do is click on the login page and enter the phone number/email address you have in Skyward. The system will find you and you can finalize your registration.
